This proposed amendment would not change the current requirement that a proposed constitutional amendment imposing a new state tax or fee be approved by at least 2/3 of the voters of the state voting in the election in which such an amendment is considered.</p> <p><input type="radio"/> YES <input type="radio"/> NO</p>	<p style="text-align: center;">PROPOSED CONSTITUTIONAL AMENDMENTS</p> <p style="text-align: center;">NO. 4 CONSTITUTIONAL AMENDMENT ARTICLE X, SECTION 27</p> <p>Protect People, Especially Youth, From Addiction, Disease, And Other Health Hazards Of Using Tobacco</p> <p>To protect people, especially youth, from addiction, disease, and other health hazards of using tobacco, the Legislature shall use some Tobacco Settlement money annually for a comprehensive statewide tobacco education and prevention program using Centers for Disease Control best practices. Specifies some program components, emphasizing youth, requiring one-third of total annual funding for advertising. Annual funding is 15% of 2005 Tobacco Settlement payments to Florida, adjusted annually for inflation. Provides definitions. Effective immediately.</p> <p>This amendment requires state government to appropriate approximately \$57 million in 2007 for the Comprehensive Statewide Tobacco Education and Prevention Program. Thereafter, this amount will increase annually with inflation. This spending is expected to reduce tobacco consumption. As a result, some long-term savings to state and local government health and insurance programs are probable, but indeterminate.
