The Honorable Mark Andersen
Bay County Supervisor of Elections
205 Mosley Drive
Lynn Haven, FL 32444

Dear Mr. Andersen:

In order for one to run an effective and successful political campaign, one must be able to invest a considerable amount of time and energy. Holding a full time position in another county, along with the extra commute time, has made this task increasingly more difficult. After long and careful consideration, I have chosen to devote my available time to my wife and family. It is with great regret that I hereby withdraw my name as a candidate for the position of Bay County Property Appraiser. I would like to express my sincere appreciation to all of those who have encouraged and supported me and ask for their understanding in this decision.

Yours truly,

Dale Hartzog
