

CANDIDATE PLANNING AND EDUCATION CLASS

As a candidate running for political office you are accepting many responsibilities. Your campaign for office can be a successful and rewarding experience if you take your candidacy seriously and become well-educated on election law requirements. Please do not rely on your knowledge of old election laws to conduct your new candidacy.

Our goal is to educate and inform all candidates, managers and treasurers in the areas where problems have typically occurred. The 1st step you take in your candidacy is to set up a "Candidate's Course" meeting with this office.

Below, is a list of resources that you will need for your candidacy.
